WHAT IS THE FIRST THINGS FIRST REGIONAL PARTNERSHIP COUNCIL

CARE COORDINATION/MEDICAL HOME GRANT PROGRAM?

The South Phoenix Regional Partnership Council (RPC) has identified the need to increase children's access to preventive health care through Care Coordination. First Things First is seeking applicants to establish or expand an administrative home that will provide Care Coordination services, based on successful models used in other states to assist high-risk families in the region to access basic health services for their young children and assist with enrollment or maintaining health insurance coverage. Care coordination services could be delivered in a variety of settings such as physician offices, hospitals, community health centers or other community based organizations in the South Phoenix region.

Care Coordination services funded under this RFGA must serve children birth through age five and their families that reside or receive services within the zip codes referenced in the RFGA. Applicants are asked to give special consideration for targeting at risk and vulnerable populations, including: low-income families, pregnant and parenting teens, underserved families or families not currently being served, and families with children with special needs. All care coordination applicants must clearly demonstrate coordination with other health and human services programs, First Things First grantees, and other community resources to ensure that existing efforts are not duplicated.

WHAT IS THE TOTAL AMOUNT OF FUNDING AVAILABLE?

This is a two (2) month contract with an option for renewal for two (2) additional twelve (12) month periods. Total funds available on an annual basis are expected to be approximately \$1,300,000 over the 14-month contracts with the understanding that a prorated amount of approximately \$216,000 will be available for the first two (2) month funding period. Contract renewal will be contingent upon satisfactory contract performance, evaluation and availability of funds.

The 2-month period is estimated to be May 1, 2011 through June 30, 2011. The 12-month period is estimated to be July 1, 2011 through June 30, 2012.
